Quick selection guide markers and tools

Markers

DEK MultiCard

- Universal marker for terminals and plug-in connectors as well as electronic modules from the Weidmüller product range
- Flexible and fast printing on site with PrintJet and Plotter MCP
- Particularly suitable for short sequences of numbers
- Also available with customer specific printing

WS MultiCard

- Designed specifically for W series terminals
- Thanks to their system compatibility, WS markers can also be used with the I-series, Z-series and P-series
- Generous size for long character strings and multiple-line printing

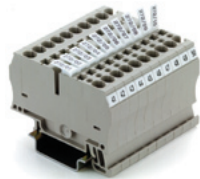

DEK MultiCard

Type	Material colour	Pitch	Qty.	Order No.
